Ladies and Gentlemen, Competitors and Officials.

On behalf of Swansea Motor Club, many thanks to all concerned at last Sundays event at Llys y Fran. We are extremely grateful to Competitors for keeping an orderly Paddock with our experiment to attempt to run 110 cars. It now looks likely that this will be the norm. There were 5 disappointed reserves (one was a Swansea Motor Club member, sorry Steve) who had turned up in case, but....., hope you had a pleasant day at the event anyway. It is a pity that the Classes are not compatible Nationwide, there was a tyre debate during the day. It would be nice if classes were uniform with the tyre situation likewise. There is a lot of animosity in the sport and the powers-that- be should sort it out sooner than later.

If you have any constructive suggestions for improving the events please write to me, and keep it clean, its already been suggested that that the paddock bays be numbered.

Thank you

Alun Morgan
