**HAVE YOU EVER THOUGHT OF BEING A MARSHAL ?
 AND NOT KNOWN HOW TO GO ABOUT IT !**

A Marshal is a very important person and works within a team of about forty people to make the Hillclimb possible.

You don't have to be dressed in orange, there are many reasons why they are dressed as such! No they have not been tango'd! They are Marshals that are progressing or have reached their aim as a Race Marshal. They are trained in Flag and Fire Duties.

If you think you would like to be a part of this team Please contact the Chief Marshal:-
