LLYS-Y-FRAN JULY 30th. 2000

Dear Competitor,

Just a little note to thank you for entering our Speed Hill Climb at Llys-y-Fran Park. We all hope that you enjoyed the event and the venue enough to return for the two events in 2001. This last event, unlike the earlier May round, ran into a couple of problems as some of you will know.

On behalf of the club and it's members, I would like to apologize to any competitors who were inconvenienced by our timing problems in the afternoon. This is the first time, it will also be the last, that we have competitors waiting around for their times. As an ex-competitor I fully understand the frustration of not knowing whether to start off home, or wait for a possible award and get home later at night.

To those of you that did receive an award, congratulations. We hope you like the Welsh flavour of the medals, and that they will remind you of the good points of your weekend in the land of the Dragon. To those of you that didn't qualify, thanks for making the effort to visit our event. Come back and hopefully it will be your turn next year.

Once again many thanks to you all, and apologies for the delays.

Mike Jones.

Chairman & Hill Climb Secretary.
